- 4,400 mAh
- Wireless PowerShare
- Fast Wireless Charging 2.0
- 25W Super Fast Charging

### Processor:

- Qualcomm Snapdragon® 8 Gen 2 for Galaxy (4nm)

The Samsung Galaxy Z Fold5 unfolds to an incredible 7.6" display, giving you plenty of space to view your work at its best. And it's designed to perform with a faster processor and longer-lasting battery. Plus, Multi Window mode lets you work across three apps at once, making multi-tasking smooth and simple. With a zero-gap hinge, it folds flatter than ever—meaning it slips easily into your pocket or bag.
