Work anywhere with the folding phone that's built to survive hectic days. The new Galaxy Z Flip4 is really tough—both inside and out—now with a stronger panel¹. Not only that, it has stronger ultra-thin glass 2.0²⁶, Armour Aluminium frames and Gorilla® Glass Victus+®. So, whether you're working in the office, on the train or visiting clients or colleagues on site, you can rest assured your device is protected against bumps and scrapes.
